

Picture this... total policy peace of mind

Introducing Policy Expert, new to The Key for School Leaders

Policy Expert is your single place for telling which policies you **must have**, **should have**, and if **anything has changed**.

With Policy Expert, you'll get...

➤ **Policy updates that come to you**

We'll update you when there's a change in statutory policy - so you can save time searching for answers.

➤ **Knowledge that your policies are compliant**

Use our lawyer-approved model policies when adapting your policies - so you can be sure that yours hit the mark.

Approved by
forbessolicitors.

➤ **Clarity on which policies you do and don't need**

View recommended non-statutory model policies for your school, plus guidance to help you decide whether or not something should be made into a policy.
