Leadership know-how to help you run your school

The Key for School Leaders, keeps more than 120,000 school leaders up to date, compliant, and equipped to make confident decisions.

Must-have knowledge for...

Your SLT

- > Clarity on the latest sector updates, **and actionable guidance** on what to do next
- > **Community support** from leaders like you, who have already tackled big challenges in innovative ways
- > **Coming up:** Resources to help with the reintegration of staff and pupils following prolonged school closure

SBMs and admins

- > Quick, clear guidance on the **many varied aspects** of the SBM role - from HR and premises management to pupil attendance and budget planning
- > Lawyer-approved, editable model policies to keep you compliant and **save you hours of work**

Middle leaders, teachers and SENCO

- > Subject and SEN-specific tools to get **confident in your curriculum**
- > **Teaching templates** to share with staff, line management tips and more
- > **Coming up:** Resources for supporting staff and pupil mental health, and rebuilding these relationships following school closures

What's included?

- > Lawyer-approved, editable model policies
- > Workload-slicing templates, checklists and articles
- > Unlimited access for all of your teams
- > Full use of the app
